LED LIGHTED LINENLESS ECOFLEX TABLE - 7034LED

SKU: 7034LED

This LED Lighted Linenless EcoFlex Table features a 30" diameter brushed stainless steel and smoked plexiglass tabletop with variable color control LED lighting. A battery pack allows wireless use and an included remote control allows you to change the LED color and pattern. It also features a folding textured black painted steel side-mount frame that is available in five different heights (24", 30", 36", 42", 48"). These tables require no tools and set up and tear down in minutes. They are perfect for banguets, bars, weddings, dances or just about any event that requires an extra touch of flare. (42"H shown)
