cargo-luggage-cart-2502-x2/

CUSTOM CARGO LUGGAGE CART - 2502-X2

SKU: 2502-X2

Custom cargo luggage cart featuring 1" black painted steel tube frame and stainless-steel side panels with a custom vinyl logo wrap. A curved stainless steel top section with a tinted acrylic sky-light panel to protect panels from the elements. Four vertically mounted round tube handles, two on each end. One carpeted flip-up shelf, reinforced with square steel tube. Cargo netting on both ends to secure your load. The carpeted steel reinforced deck features four revolving corner bumpers and a full wrap-around rubber bumper, with four 8" cushion gray wheels.
